Our programs are educational and fun. Each day, campers will be immersed in hands-on projects, science and discovery programs, safety and environmental projects, and much more! Campers will have the chance to enjoy some outdoor cooking, go fishing in our lake, and participate in hikes on one of the many woodland trails. Our older campers (4th grade and up) will be given Archery lessons as well as time on our lake in one of our many canoes, kayaks, or rowboats.

We have a large, in-ground pool, fully staffed with certified lifeguards and a Water Safety Instructor to help campers learn to swim. Campers will swim in our pool every day.

We have a large mess hall and sports field where many of our shows and special activities take place. In the past, some of our special activities have included: Olympic Games Day (relay races, pool games, and other group games), Carnival Day (with giant inflatable slip-n-slides, bounce castles, dunk tank, popcorn, etc.), "Day Rock" (campers try out different instruments and play as a rock band), pony rides, reptile and other animal exhibits, DJs, and much more!

During the last week of camp, campers invite their families to watch them perform in our Annual Camp Show. Campers practice and prepare throughout the month for this show, which exhibits their talents through music and dance, as well as performances from some of our other activities.

Campers bring their own lunches each day. Lunches are placed in walk-in refrigerators before the day's activities begin. There are many special food days: BBQ Day, Pizza Day and Ice Cream Sundae Day. The Ice Cream Truck, Cupcake Truck, along with others, make an appearance at camp at least once a week.

Camp is held rain or shine. We have many activities that can be done while it is raining and our daily programing can be modified in the case of prolonged periods of inclement weather.
