DEP Log #2006-MU-0132-SP.2

Dear Mr. Contelmo:

The New York City Department of Environmental Protection (DEP) has determined that the above referenced application, received on March 19, 2012 is *incomplete*.

This project is currently the subject of a coordinated State Environmental Quality Review Act (SEQRA) review. As such, DEP cannot commence review of the SWPPP until a Determination of Non-significance by the lead agency has been provided, pursuant to Section 18-23(c)(2) of the *Rules and Regulations for the Protection from Contamination, Degradation, and Pollution of the New York City Water Supply and Its Sources* (Regulations). For information related to DEP's involvement in this SEQRA action, please contact Cynthia Garcia of the SEQRA Coordination Section at (914) 773-4455.

The review of your SWPPP application will not commence until the Department receives the necessary information and determines that the application is complete. The Department will notify you within 10 days of its receipt of the additional information requested above as to the completeness of your application. Please be advised that failure to submit information to the Department or to follow Department procedures is sufficient grounds to deny approval, pursuant to Section 18-23(b)(2).

If you have any questions related to this SWPPP application, please call the undersigned at (914) 742 – 2025.

Sincerely,

John Drake
